GLOBAL BRAND WITH AUSTRIAN ROOTS

Last season we sent a first strong signal for the future direction of the company and the Eisbär brand. A clear commitment to social and ecological responsibility and to Austria as a business location are the basic principles for our strategic action.

We reflected on our origins in sport and at the same time ventured into new projects. This approach has already been perceived positively, now the task is to continue to develop the positioning sustainably and to consolidate it in the market.

Eisbär is globally known. At the same time, we are an independent Austrian company with headquarters and the main important production site in Feldkirchen an der Donau in Upper Austria.

Eisbär is rooted in sports. Firmly anchored in skiing and winter sports since the 1950s, Eisbär head- & neckwear is nowadays the perfect companion for everyone who likes to spend time outdoors all year round.

Eisbär is all about knitting. We are proud of our tradition and 60 years of knitting expertise. The combination of tradition, craftsmanship and innovation forms the basis for a constantly growing product portfolio.

Eisbär is made in Austria. We are clearly committed to Austria as a place of location. The motivated Eisbär team is responsible for the entire product process, from development through design to production. A big share of the range is manufactured in Austria.

Eisbär heads into the future. Sustainability, functionality, style and sport are our cornerstones. The spirit of innovation is evident in the use and development of new, natural basic materials and high functionality.

We are on the move.
Be there and accompany our exciting journey into the future.

In der letzten Saison haben wir ein erstes starkes Signal für die zukünftige Richtung des Unternehmens und der Marke Eisbär gesetzt. Als Grundprinzipien für unser strategisches Handeln gelten ein klares Bekenntnis zu sozialer und ökologischer Verantwortung sowie zum Standort Österreich.

Wir haben uns auf unsere Herkunft im Sport besinnt und gleichzeitig viel Neues gewagt. Und das wurde bereits positiv wahrgenommen. Nun gilt es, die Positionierung weiter nachhaltig zu entwickeln und am Markt zu festigen.

Eisbär ist weltbekannt. Gleichzeitig sind wir noch immer ein unabhängiges österreichisches Unternehmen mit Firmensitz und dem wichtigsten Produktionsstandort in Feldkirchen an der Donau in Oberösterreich.

Eisbär steht für Sport. Seit den Fünfzigerjahren fest verankert im Ski- und Wintersport, ist Eisbär Head- & Neckwear heute der perfekte Begleiter für Sportler und Outdoor Enthusiasten das ganze Jahr hindurch.

Eisbär steht für Strick. Die Marke zeichnet sich durch mehr als 60 Jahre Expertise und Stricktechnologie auf höchstem Niveau aus. Die Verbindung aus Tradition, Handwerk & Innovation bildet die Basis für ein stets wachsendes Produktportfolio.

Eisbär ist Made in Austria. Das motivierte Eisbär Team am Standort in Feldkirchen an der Donau ist für den gesamten Produktprozess verantwortlich, von der Entwicklung über das Design bis hin zur Produktion. Ein Großteil der Produkte wird im eigenen Haus produziert.

Eisbär geht in die Zukunft. Nachhaltigkeit, Premium-Qualität, Style und Sport sind unsere Eckpfeiler. Innovationsgeist zeigt sich im Einsatz und der Entwicklung von neuen, natürlichen Grundmaterialien und hoher Funktionalität.

Wir befinden uns im Aufbruch.
Sei dabei und begleite uns auf dem spannenden Weg in die Zukunft.

BLUE BEAR INITIATIVE

Der Blue Bear steht für Nachhaltigkeit – das Blue Bear Programm belegt unser Engagement für ökologische und soziale Verantwortung. Im Zuge dessen betrachten und analysieren wir alle Bereiche des Unternehmens und den gesamten Lebenszyklus eines Eisbär Produktes und setzen Schritt für Schritt immer mehr Maßnahmen Richtung nachhaltigem und respektvollem Umgang mit Mensch, Natur und Umwelt.

The Blue Bear stands for sustainability – the Blue Bear program shows our commitment to ecological and social responsibility. As part of this, we consider and analyze all areas of the company and the entire life cycle of an Eisbär product and, step by step, take more and more measures towards a sustainable and respectful treatment of people, nature and the environment.

Das beigelegte Poster zeigt unsere Blue Bear Range 2022/23, eine strukturierte Übersicht aller nachhaltigen Modelle inklusive der Farbvarianten. Auf einen Blick ist darauf erkennbar, wie stark der Fokus auf umweltfreundliche Produkte bereits realisiert ist. Ein Viertel der gesamten Produktlinie steht unter dem Blue Bear Zeichen und ein Drittel der Core Range ist bereits im neuen Rewoolive Material umgesetzt.

The enclosed poster shows our Blue Bear Range 2022/23, a structured overview of all sustainable models including the color variants. It can be seen at a glance how strongly the focus on environmentally friendly products has already been implemented. A quarter of the entire product range is under the Blue Bear logo and a third of the core range has already been implemented in the new Rewoolive material.

Diesen Weg verfolgen wir weiter.

Dafür entwickeln und integrieren wir natürliche Rohstoffe und Materialien, implementieren neue Stricktechnologien für weniger Abfall und niedrigeren Energieaufwand, achten auf faire Rahmenbedingungen bei Produzenten und das Tierwohl.

Wir glauben und arbeiten daran, dass ein Umdenken und Wechsel im Verhalten der Gesellschaft möglich sind. Tragen wir gemeinsam ein kleines Bisschen dazu bei, eine positive und nachhaltige Zukunft aufzubauen – für uns und kommende Generationen.

We will continue to pursue this path.

To this end, we develop and integrate natural resources and materials, implement new knitting technologies for less waste and lower energy consumption, and ensure fair basic conditions for producers and animal welfare.

We believe and work towards ensuring that society can rethink and change its behavior. Let's all contribute a little bit to build a positive and sustainable future – for us and future generations.

LOOK GOOD,
DO GOOD AND
FEEL GOOD.
